Lisa Christiansen

IKEA Store Manager

Dear Ms Christiansen:

I Just finished some remodeling of my kitchen in Brigantine NJ. John Mitchell was the contractor recommended by your store and hired by us to do some remodeling of our kitchen and hang cabinets bought at your store. I was very impressed by Mr Mitchell's skills, organization , reliability and friendliness. He was polite, arrived as promised, notified us when he had to postpone the work and finished on time.

Our place was left neat , with no depressing piles of left over garbage. Believ me , it is not my first kitchen reno. It is my 4ht. I had never used IKEA before, nor ever hired Mr Mitchells. I was very pleased with the work and the process.

I was almost forgetting: our new kitchen is beautiful!

Regards,

Ginette Lange
